

DRONE VOLT

The HERCULES 10 is heading for Spain and Portugal

Villepinte, November 29, 2018

DRONE VOLT, a French aeronautics manufacturer specializing in professional civilian drones, has announced new deliveries in Spain and Portugal.

DRONE VOLT has delivered two HERCULES 10 drones to the Portuguese and Spanish subsidiaries of a European industrial group. This group has additionally ordered a third similar drone destined for the parent company in France. The contract also calls for the training of several drone pilots at the DRONE VOLT ACADEMY.

This group, which operates in France, Spain and Portugal, specializes in products and services for building industry professionals. It is additionally considering the assembly of a fleet of DRONE VOLT drones in each of the three countries in which it operates.

“This contract bolsters DRONE VOLT’s strategy in the construction sector,” indicated Olivier GUALDONI, the chairman / CEO of DRONE VOLT. *“It is evidence of the particularly active deal flow for the DRONE VOLT group at present and its ability to enter into still untapped markets.”*
