

DRONE VOLT

New order from an army in Northern Europe

Villepinte, December 11, 2018

DRONE VOLT, a French aeronautics manufacturer specializing in professional civilian drones, has received a new order from a northern European army.

Following up on the order announced in the press release dated November 22, 2018, this same northern European army has just ordered a HERCULES 10 drone.

This order confirms DRONE VOLT's rising presence at a customer offering high potential and the effectiveness of its commercial and industrial strategy targeting major customers and government agencies.

"Armies throughout the world have substantial needs in terms of drones", indicated Olivier GUALDONI, the chairman / CEO of DRONE VOLT. "Our proven, reliable solutions offering different payload capacities now reaching up to 20 kg are meeting with growing success, notably with armed forces."
