

DRONE VOLT

New Deliveries for the United States

Villepinte, June 5, 2019

DRONE VOLT, embedded artificial intelligence expert and professional civil drone manufacturer, announces the delivery of two HERCULES 5 drones to an American government agency.

These two HERCULES 5 drones, designed and manufactured by DRONE VOLT in its *Factory* in Villepinte, will be used to accomplish surveillance missions.

Designed for any observation missions, these products are highly demanded by all police forces, armies and firefighters as they are ideal tools for managing riots, fires, surveillance above stadiums, etc.

'We have great ambitions for the American market' states Olivier Gualdoni, CEO of DRONE VOLT. *'The expertise we provide with our products and the forthcoming, likely shortage of Chinese products has opened favorable opportunities for us. We guarantee a complete confidentiality of the data gathered by our UAV's, which not only appeals to government agencies but also to private companies.'*

Next Press Release: Q2 Turnover – 24th of July 2019
