### New promising purchase order for the United States

---

Villepinte, 16<sup>th</sup> of July 2020

**DRONE VOLT, embedded artificial intelligence expert and professional civil drone manufacturer, announces a new, promising purchase order for the United States of America.**

This purchase order made by a new American client was booked by AERIALTRONICS, DRONE VOLT's subsidiary. It comprises two (2) ALTURA ZENITH equipped with the PENSAR AI camera.

As a result, DRONE VOLT has signed a contract reaching 100 000 euros. The client has demonstrated a strong interest in the products and would like to order a few dozens more in the near future.

The purchase order has already been paid fully and will be delivered before the end of July.

*"Reaffirming previous announcements, our activity is gradually resuming both in Europe and the United States" declares Oliver GUALDONI, CEO of DRONE VOLT. "The American market remains strategic for the Group. The potential for sales is substantial, despite the dreadful pandemic currently hindering our operations."*
