## Announces the largest order in its history

Villepinte, 22<sup>nd</sup> of february 2023

**DRONE VOLT, expert in embedded artificial intelligence and manufacturer of professional civil UAVs, announces the largest order in its history.**

DRONE VOLT announces the signature of an order worth more than 20 million euros. The order is expected to be delivered and invoiced in the first half of 2023, marking a further acceleration in the group's activity after a particularly significant second half of 2022.

This announcement echoes the group's recent announcements regarding ongoing negotiations, which have enabled it to show confidence for 2023.

*"This order is a perfect start to 2023 and a source of motivation for our team."* said Marc Courcelle, CEO of DRONE VOLT. *"We are pursuing other negotiations on all our activities which should be completed in the coming months".*
